

## ANAMEX F1

Mid green conic-bilobe, classic “Anaheim” type.

Early maturing.

Firm walls.

Very good yielder.

Mild at green stage ideal for fresh consumption, very hot when full ripe.

Prolonged harvest.

Maturing deep red.

Uniform size fruit.

Average weight 150-160g.

The best “Anaheim” type actually.

In the warm countries for any destination.

HR\*/IR\*: TMV.
