

SAM REMO F1

Ribbed typical italian pink ox-heart.

Early ripening, big fruited.

Fruits size 250-300 g. Single pick. Juicy and sweet.

Light green shoulder turning to pink and finally to deep pink / red when ripe.

Very good vigor plant with big production of uniform fruits.

Early maturing.

Very good for green house for winter and spring cultivation.

HR*/IR*: V, Fol 0-1, N, TSWV.
