REGOLINO (UG 429212) F1

Hybrid determinate tomato with the traditional “Fiaschetto” shape.
Deep bright red color due to high lycopene content, oval shape with the classic rounded tip.
High Brix and traditional taste.
Excellent firmness and shelf life.
Resistant to cracking.
Average weight 30-35 g.
Early cycle.
Healthy and vigorous plant, high yield in all production areas both in open field and plastic tunnel.
HR*/IR*: V, Fol 0-1, N, Pst, TSWV.
