SWEET SIGARETTA F1

TMV

Long slim pale green breed from the traditional italian “sigaretta lombardo”.
Uniform fruits 16-20×2-3 cm.
Pale green to deep red at full ripe.
Early ripening sweet fruits, thin walls as requested by the market for this variety, ideal for pickling and fresh market.
Good vigor plant, good fruits cover and prolonged production.
For plastic and open field.
RESISTANCES: TMV.
