

Hybrid Pepper Hot **UGI-HP-1331 F1**

Ugi-hp-1331 is a very new hot pepper.

Mild hot when green but very pungent when fully ripe.

Strong plant, very productive with very good cover and long lasting production.

Good aroma.

Fruits are mid green turning to bright red at full maturity.

Fruit size: 6 -7 cm diameter and 3-4 cm height.

Ideal for stuffing.

For temperate and tropical areas.
